(716) 524-3333

### Empowering People and Waters Within New York State

Join us in Niagara Falls to learn, share, improve, and discuss wetland science, management, policy, and related matters. You'll also enjoy networking with your colleagues within walking distance of the Falls. Presenter abstracts are sought for these and other breakout session topics of interest:

- *Energy: Hydro, Solar, & Wind Projects*
- *Transportation & Major Infrastructure Projects*
- *Stormwater and Wastewater Treatment*
- *Wetlands & Coastal Resiliency*
- *Regulatory Aspects of Wetland Management*
- *Invasive Species Control & Management*
- *Endangered and Threatened Species*
- *Wetland Restoration/Remediation*
- *Regulatory Process and Cultural Resources*
- *Stream and River Restoration/Remediation*
- *Wetland Mitigation*

Presenter registration fee is discounted. Students who present or display a poster receive a registration fee waiver.

**ABSTRACT SUBMISSION:** Please submit your oral presentation abstract for consideration. Include the title, author(s), contact information, and a description of the topic in 300 words or less. Indicate the primary presenter, if more than one author is listed. NYSWF will provide computer and projector (PowerPoint) equipment. All presenters **must** register and pay the discounted conference registration fee, unless they are attending the Conference for their session only. Registration information will be posted to NYSWF's website: <http://www.wetlandsforum.org/>

Please submit abstracts via e-mail to:
